CESA #9 is governed by a Board of Control that consists of eleven board of education members from districts within the CESA #9 boundaries. Board members are elected to three-year terms at the CESA #9 Annual Convention.

The Board of Control recognizes and designates all of its records as defined by Wisconsin Statutes as public records and documents. The release inspection and reproduction of such records will take into account the presumption in favor of public access and any decision will then be based upon a balance between the public's right to access and an individual's right to confidentiality.

It shall be the responsibility of this individual to execute all duties and responsibilities of the CESA pursuant to Wisconsin's Public Records and Property Law and other state and federal mandates, including but not limited to 118.125 (pupil records) and 103.13 (records open to employee).

Written denials must include a statement informing the requestor that the denial may be reviewed by a court by mandamus under 19.37(1) of the Statutes or upon application to the attorney general or a district attorney.

Some of the records of CESA #9 may be in off-site storage, archived, not on-line on the CESA's computer or otherwise not immediately available. - b. Items in such a situation would include but would not be limited to audio or video tape reproduction equipment, microfilm, or fiche or

ultra fiche reproduction equipment, assorted computer hardware and software.

- c. The actual cost to the CESA of the tape or other medium for reproduction shall also be paid by the person making the request.
