DIRECT INSTRUCTIONAL PROGRAMS

There are some employees of CESA #9 that work full-time in only one (1) school district. These employees are expected to follow not only the policies of CESA #9, but also all policies of that particular school district. If at any time there is a direct and significant conflict between these two (2) sets of policies, that employee should contact their supervisor or the CESA #9 Administrator to receive a clarification on what policy to follow.

There are some employees of CESA #9 that work in more than one (1) school district. These employees are expected to follow the policies of CESA #9 and the policies of each of the districts in which they work when they are in that particular school district. If a conflict arises between any CESA #9 policies and any school district policies, the employee should contact their supervisor or the CESA #9 Administrator to receive a clarification on which policy they are to follow.
