

## 672.6

### PURCHASING OF EXPERT OR CONSULTANT SERVICES

All purchases of consultant services, such as expert advice, technical assistance or other consultant services or any research, analysis, studies, or reports for the Agency shall be conducted as set forth below.

The Board of Control shall ~~select providers and~~ approve contracts for consultant services in which the initial cost **or subsequent cost** is projected to exceed \$10,000 in the fiscal year.

The CESA Administrator is authorized to select all consultants and approve contracts for any organization or person for the provision of personal services of expert advice, technical assistance or other consultant services to the Agency within the limitations imposed by the Agency budgets and in which the initial cost does not exceed \$10,000 in the fiscal year.

~~Board of Control approval is required for modification, extension or renewal of a consultant contract within the fiscal year that results in the total aggregate amount exceeding \$10,000 for any organization or person.~~

Tentative Approval: March 5, 2003

FINAL APPROVAL: April 2, 2003

**Revised and Approved: August 3, 2015**
