ACKNOWLEDGMENT OF RECEIPT OF EMPLOYEE POLICIES AND HANDBOOK

Employees have access to an electronic copy of the CESA 9 Employee Handbook and sign the following Acknowledgement electronically:

I acknowledge that I have received and reviewed a copy of the Cooperative Educational Service Agency #9 Policies and Handbook (Handbook). I understand that it is my responsibility to read it thoroughly. If there are any policies or provisions provided to me that I do not understand, I will seek clarification from the CESA #9 Administrator or CESA #9 business office. I understand that this Handbook states the CESA #9's policies and procedures in effect on the date of publication. I also understand that these policies and procedures are continually evaluated and may be amended, modified or terminated at any time, with or without prior notice.

I further understand that nothing contained in the Handbook may be construed as creating a guarantee of future employment, future benefits or a binding contract with the Cooperative Educational Service Agency #9 for employment or benefits or for any other purpose. I understand that nothing contained in the Handbook may be construed as changing my employment status. I understand that except as may be provided by a contrary provision in an applicable collective bargaining agreement or individual written employment agreement approved by the Board of Control, my employment is at will and my employment may be terminated at any time for any reason, with or without cause and with or without notice, at the option of the Agency or at my option.

I understand that I must sign a copy of this acknowledgement and failure to do so may result in my immediate termination.

INTRODUCTION

This Employee Handbook has been prepared for CESA 9 staff members. This Employee Handbook shall be effective upon Board approval and shall remain in full effect and force until such time that it is changed or rescinded by Board of Control action.

INTRODUCTORY STATEMENT

This Employee Handbook is a collection of selected employment policies, procedures, rules, and regulations. It has been prepared to acquaint all staff members with the policies, procedures, rules, and regulations that govern their employment by CESA 9 and to provide for the orderly and efficient operation of the CESA and the districts we serve.

It is each staff member's responsibility to read and become familiar with this information and to comply with the policies adopted by the Board and/or the administrative guidelines promulgated by the Agency Administrator as well as the rules and regulations contained herein.

If a staff member has questions regarding any of the Board policies, administrative guidelines, and/or the rules or regulations set forth in this Employment Handbook, or about matters which are not covered, the staff member should direct them to his/her immediate supervisor.

DISCLAIMER STATEMENT

This Employment Handbook has been prepared for informational purposes only. None of the statements, policies and procedures, rules, or regulations contained herein constitutes a guarantee of employment, a guarantee of any other right or benefit, or a contract of employment, express or implied. All of the Agency's employees are employed "at-will", and employment is not for any definite period, unless otherwise provided by individual contract. However, the Agency's certified staff members are employed under individual contracts with the Board and may be terminated and/or non-renewed consistent with the terms of the contract and consistent with Board Policy.

Furthermore, any staff member who violates any of the terms and conditions of employment set forth in this Employment Handbook may be subject to disciplinary action, up to and including termination and non-renewal.

The provisions set forth in the Employment Handbook may be altered, modified, changed, or eliminated at any time by the Agency. This Employment Handbook supersedes any and all previous handbooks, statements, Memoranda of Understanding, Letters of Understanding, expired collective bargaining agreement provisions, policies and procedures, rules, or regulations given to employees, whether verbal or written.

COOPERATIVE EDUCATIONAL SERVICE AGENCIES

PURPOSE

The organization of school districts in Wisconsin is such that the legislature recognizes the benefit of a service unit between the school district and the state superintendent. The cooperative educational service agencies are designed to serve educational needs in all areas of Wisconsin by serving as a link both between school districts and between school districts and the state. Cooperative educational service agencies may provide leadership, coordination and education services to school districts, University of Wisconsin System institutions and technical colleges. Cooperative educational service agencies may facilitate communication and cooperation among all public and private schools, agencies and organizations that provide services to pupils.

CESA #9 MISSION STATEMENT

Our mission is to provide leadership for educational improvement and strengthen educational institution's capacity to educate all students creating healthy, resilient, successful adults.

CESA #9 VISION STATEMENT

CESA #9 shall contribute ongoing leadership for innovative and qualitative growth to ensure optimal educational opportunities for all children.

PHILOSOPHY AND ROLE

The philosophy of CESA #9 shall be to provide educational services and planning on a regional cooperative basis and to assist in meeting specific educational needs of children in participating school districts which could be better provided by the CESA than by the districts themselves. CESA #9 will provide those services school districts identify as a priority need and those CESA service programs they wish to have developed. All service contracting is voluntary on the part of each school district. CESA #9 shall have a contract with school districts for services provided.

The CESA #9 role includes continuous efforts to promote and provide economy, efficiencies and effectiveness of programs and services requested by local school districts and other public entities as allowed by law.

CESA #9 has a responsibility to the local school districts to provide awareness of the needs local school districts may have individually or collectively on a regional basis for purposes of providing increased and appropriate educational opportunities for all children in CESA #9 through organized cooperative services between local school districts, other CESAs, DPI and other organizations involved in services to the education community.

CESA #9 has a responsibility to establish liaison and working relationships with post secondary educational units, including the vocational school and university system. Others include health and social services, local governmental units and federal and/or state educationally related entities. (Board Policy 110.2)

NON DISCRIMINATION

It is the policy of Cooperative Educational Service Agency #9 to not discriminate on the basis of race, color, national origin, religion, sex, age, handicap, sexual preference, marital status, arrest or conviction record, or any other protected class status in its educational programs in employment, and in its practices and operations.

CESA #9 will comply fully with state and federal equal opportunity and affirmative action laws and regulations. (Board Policy 110.4)

MANAGEMENT RIGHTS

Delineation of Rights

Management retains all rights of possession, care, control and management that it has by law, and retains the right to exercise these functions. The exercise of such powers, rights, authority, duties and responsibilities by the Board, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only to the precise extent such functions and rights are explicitly, clearly and unequivocally restricted by the express terms of Board policies/individual contracts and then only to the extent such specific and express terms hereof are in conformance with the Constitution and laws of the State of Wisconsin and the United States. These rights include, but are not limited by enumeration to, the following rights:

- A. To direct all operations of the Agency;
- B. To establish and require observance of reasonable work rules and schedules of work;
- C. To hire, promote, transfer, schedule and assign employees in positions within the Agency;
- D. To suspend, discharge and take other disciplinary action against employees;
- E. To relieve employees from their duties because of lack of work or any other legitimate reason;
- F. To maintain efficiency of Agency operations;
- G. To take whatever action is necessary to comply with state or federal law, or to comply with state or federal court or agency decisions or orders;
- H. To introduce new or improved methods or facilities;
- I. To select employees, establish quality standards and evaluate employee performance;
- J. To determine the methods, means and personnel by which Agency operations are to be conducted;
- K. To take whatever action is necessary to carry out the functions of the Agency in situations of emergency;
- L. To determine the educational policies of the Agency; and
- M. To contract out for goods and services.

PERSONNEL POLICIES GOALS

The Board of Control recognizes that it is vital to the successful operations of the Agency that the positions created by the Board be filled with highly qualified and competent personnel. The Board of Control recognizes the need to establish positions that, when filled by competent qualified staff members, will assist the Agency in achieving its goals. (Board Policy 510)

STAFF ETHICS

It shall be expected of every staff member that he/she will conduct him/herself in a manner that will not conflict with local, state or national laws or rules, regulations and policies adopted by the Board of Control. (Board Policy 522.4a)

EXPECTATIONS FOR CESA STAFF SERVING IN SCHOOL DISTRICTS

Persons that are hired by CESA #9 and who work in any of its school districts are expected to represent CESA #9 in a positive and professional manner. They are to follow the policies of CESA #9 as well as the policies of the school district(s) in which they work. The image which they portray in their work has a direct reflection on CESA #9. CESA #9 employees are expected to perform their duties in an outstanding manner at all times. (Board Policy 520.4)

ACCIDENT REPORTS

All accidents and injuries to CESA personnel while performing their job functions are to be reported to the Agency Administrator or Fiscal Administrator not later than the following business day and documentation provided.

Should an injury occur while providing services within an Agency school district, employees shall report such injury immediately to the person in charge of the building where the injury occurred. The injury must also be reported to the CESA #9 Agency Administrator or Fiscal Administrator not later than the following business day. (Board Policy 722)

ASSIGNMENT AND TRANSFER

While the Board of Control approves all contracts, the assignment of all staff to positions and duties is the responsibility of the Agency Administrator or designee. Individuals may be assigned to different functions as needs and funding sources warrant. All staff members are eligible to be considered for transfers to positions for which they are qualified. Transfer positions will be made by the Agency Administrator or designee and will be based on the best interest of the Agency and its clients. (Board Policy 520.3)

BUILDING SECURITY

Security of the Agency's facilities and assets are the responsibility of every employee.

Employees entering the building during hours for which the building is locked are required to see that doors are kept locked at all times, lights are turned off and security alarm set upon leaving the building.

Furthermore, the last employee leaving the office at day's end is responsible for securing all doors, setting the alarm system and turning off all lights.

(Board Policy 731)

WEAPONS IN AGENCY BUILDING

CESA #9 prohibits any individual(s) to possess, store, and/or use a firearm or other weapon, concealed or unconcealed, in the CESA #9 building.

The only exceptions to this policy are law enforcement or peace officers, or those with written approval from the Agency Administrator. A violation of this policy could result in a criminal charge, qualify as misconduct, or result in employee discipline.

(Board Policy 832)

COMPLAINTS AND GRIEVANCES

EMPLOYEE GRIEVANCE POLICY AND PROCEDURE

1. Purpose

This procedure provides an employee with the individual opportunity to address concerns regarding discipline, termination, or workplace safety matters. The Agency expects employees and management to exercise reasonable efforts to resolve any questions, problems, or misunderstandings prior to utilizing the grievance procedure.

This Grievance Procedure is intended to comply with Wis. Stat. § 66.0509(1m). This procedure does not create a contract of employment, and does not change an employee's employment status. Employment disputes that are covered by state or federal statutes and/or administrative enforcement mechanisms are not covered by this procedure.

2. Definitions

"Grievance" means a written complaint related to the discipline or termination of an employee or to "workplace safety."

"Days" means calendar days.

"Employee termination" shall be narrowly construed to mean a separation from employment by the employer for disciplinary or performance reasons. "Employee termination" does not include layoff, failure to be recalled from layoff, furlough or reduction in workforce, administrator or teacher nonrenewal for the purpose of the elimination of a position or a reduction in staff, job transfer, non-disciplinary demotion, reduction in or elimination of position, resignation, voluntary quit, abandonment, end of employment due to disability, retirement, or death, and end of employment and/or completion of assignment of limited term, temporary, seasonal, substitute, or part-time employees, including co-curricular contracts.

“Employee discipline” shall be narrowly construed to mean a suspension without pay, or a demotion or reduction in rank, pay, or other benefits, imposed by the employer for disciplinary reasons. “Employee discipline” does not include oral or written reprimands, performance evaluations, performance improvement plans, termination, non-renewal of teacher contracts under Wis. Stat. § 118.22, non-renewal of administrator contracts under Wis. Stat. § 118.24, layoff, failure to be recalled from layoff, furlough or reduction in workforce, administrative leave or suspension with pay, or any other employment action such as wage, benefit or salary adjustments, or change in assignment, which are taken for a non-disciplinary reason.

“Workplace safety” shall be narrowly construed to refer to (1) an existing condition that substantially endangers an employee’s health and safety; or (2) any workplace policy or procedure established by state or federal law or the Board to protect the safety and health of employees in the Agency which is alleged by an employee to have been violated and to have substantially adversely affected the employee’s safety at an Agency workplace.

3. Time Limits

If the grievant fails to comply with any time periods or other procedures of this policy, the grievance will be deemed resolved and the grievant shall have no further right to pursue or appeal a grievance decision. If the employer fails to comply with any time periods or other procedures of this policy, the grievant may advance the grievance to the next level, and there shall be no other consequences or remedy for the employer’s failure to comply with any time periods or other procedures. A grievance may be withdrawn by the employee at any time. Once a grievance is withdrawn, it cannot be reopened or re-filed. The parties may mutually agree to extend any time deadline. Such extensions shall be non-precedential.

4. Termination of an Employee with a Contract for a Definite Term

A. Termination of an Employee with a Contract for a Definite Term. The procedure for terminating an employee where there is an expectation of continued employment, because of the existence of a contract for a definite term, a “cause” standard or another basis in law or fact, is as follows:

1. The Agency Administrator or designee (or in the case of the termination of the Agency Administrator, an individual designated by the Board President) shall notify the employee, in writing, that he/she intends to recommend that the Board terminate the employee’s contract and the basis for that recommendation.
2. The Board shall provide the employee with such due process as is required by law in making its decision on the termination recommendation.
3. In making its decision on the recommendation, the Board shall apply the standard established in contract for termination of the contract or, if not standard is set forth in the contract, shall determine whether good and sufficient cause exists for termination of the contract. “Good and sufficient cause” is defined to include, but not be limited to, incompetence or substantial negligence in the performance of job duties or obligation; failure or refusal to perform job duties or obligations; a material violation of state or federal law; violation of Board policies or the employee’s job description; dishonest, immoral, fraudulent or criminal conduct or any similar conduct.
4. The Board shall inform the employee in writing of its decision regarding the termination recommendation. If the employee wishes to appeal a termination decision, the employee must file an appeal requesting an “Impartial Hearing” at Step 5.D. of this Grievance Procedure by filing a grievance form with the Board President within seven (7) days of receiving written notice of termination. If no appeal is filed, the Board’s decision shall be final.

- B. Non-Renewal of a Teacher or Administrator Contract Governed by § 118.22 or 118.24. The procedures for non-renewal of a teacher or administrator contract set forth in Wis. Stat. § 118.22 and 118.24, respectively, shall be followed, if applicable. If the Board non-renews the contract of a teacher or administrator for reasons other than the elimination of the position or a reduction in staff, pursuant to Wis. Stat. § 118.22 or 118.24, and the teacher or administrator wishes to appeal the non-renewal decision, the teacher or administrator shall file an appeal requesting an “Impartial Hearing” at Step 5.D. of this Grievance Procedure by filing a grievance form with the Board President within seven (7) days of receiving final, written notice of non-renewal from the Board. If no appeal is filed, the Board’s decision shall be final.

5. **Process**

- A. Written Grievance Submission. Only the employee who is subject to the discipline or termination or directly impacted by the issue of workplace safety may file a grievance. The employee must file a grievance within seven (7) days of the date the employee knew or reasonably should have known of the termination, employee discipline or workplace safety issue. The grievance must be in writing on the Employee Grievance Form. On the form, the grievant shall: (1) identify the category of grievance (i.e., termination of an employee without a contract with a definite term, discipline, or workplace safety); (2) identify the facts supporting the grievance; (3) specify the policy, rule, regulation, or law alleged to have been violated, and the rationale supporting the grievance; and (4) describe the relief requested. The grievance must be given to the Agency Administrator. If the grievant is the Agency Administrator, the grievance must be given to the Board President.
- B. Representatives. Any party involved in the grievance may have a representative present at all levels once the grievance has been filed in writing.
- C. Administrative Decision. The Agency Administrator shall act on the grievance within fourteen (14) days of receipt of the written grievance, unless the Agency Administrator is the grievant in which case the response shall be provided by the Board. The written request shall contain a statement of the basis for the decision to sustain or deny the grievance, and, if denied, the deadline for the grievant to appeal the grievance to an Impartial Hearing Officer (“IHO”).
- D. Impartial Hearing. If the grievant wishes to appeal the administrative decision or Board decision in Section 4.A. or B. above, the grievant must file a written appeal with the Board President within seven (7) days of receipt of the administrative decision or Board decision requesting a hearing before an IHO. The hearing shall take place within a reasonable time. The IHO shall file a written decision within thirty (30) days after the hearing is concluded, including any post-hearing briefing period, unless the IHO notifies the parties that more time is needed and provides the reasons for the extension. Additional information regarding the Impartial Hearing process is found in Section 6 below.
- E. Appeal of IHO’s Decision. If either party is aggrieved by the decision rendered by the IHO, the aggrieved party may file a written appeal with the Board within ten (10) days of receiving the IHO’s decision. If no appeal is filed within ten (10) days, the decision of the IHO shall become final. Additional information regarding the Board’s review on appeal of an IHO’s decision is found in section 7 below.

6. **Procedure for Impartial Hearing**

- A. Standard of Review. The standard of review to be applied by the IHO to an administrative/Board decision, including a Board decision under Section 4. A. or B., above, shall be based on the following:
1. The review of a Board decision to terminate an employee under Section 4.A., above, shall require deference to the Board’s decision and be upheld if it has a

- reasonable basis in fact.
2. The review of an administrative decision to terminate or discipline an employee under any other circumstance or to non-renew and employee's contract under Section 4.B., above, shall require deference to the administrative/Board decision. The administrative/Board decision shall be upheld if it is not "arbitrary and capricious," which shall be defined as an action which is either so unreasonable as to be without rational basis or the result of unconsidered, willful, or irrational choice.
 3. The review of an administrative decision concerning a workplace safety grievance shall require deference to the administrative decision. The decision shall be upheld if it is not "arbitrary and capricious," which shall be defined as an action which is either so unreasonable as to be without rational basis or the result of unconsidered, willful, or irrational choice.
- B. Impartial Hearing Officer. The IHO shall not be an officer, agent or employee of the Board at the time of appointment. The Board shall appoint the IHO.
- C. IHO Responsibilities and Authority. The IHO shall do the following:
1. Screen the grievance and determine whether it falls within one of the categories subject to the Grievance Procedure and whether it has been timely filed.
 2. Provide reasonable notice to the parties of the time and location for the hearing.
 3. When requested by either party, subpoena witnesses as necessary to ensure their testimony.
 4. Make evidentiary findings and conclusions. In the case of a grievance related to a termination or discipline, the IHO shall determine whether a full evidentiary hearing is needed to afford the employee the requisite due process, and, if so, shall allow the grievant to present evidence, call and question witnesses, cross-examine adverse witnesses, obtain copies of evidentiary materials and argue his or her case. The rules of evidence shall not apply at any hearing; however, depending on the nature of the hearing, a material fact may not be supported solely by hearsay evidence. Additionally, the IHO may exclude or limit irrelevant, repetitive, or redundant evidence or any evidence lacking probative value. The IHO shall act so as to provide a speedy and inexpensive resolution of any appeal brought before the IHO.
 5. If the grievance is sustained in whole or in part, determine the appropriate remedy, provided, however, that the IHO may not award attorney's fees or litigation expenses against the Board at any time.
 6. The IHO shall only consider the precise issue(s) submitted on the grievance form and letter of appeal, if applicable, shall apply the applicable standard of review, and shall have no authority to determine any other issue.
 7. The IHO has no authority to make any decision which requires the commission of an act prohibited by law.
 8. The hearing shall be recorded. The IHO shall consider whether to engage a court reporter in lieu of recording the hearing. The grievant may request the opportunity to have the hearing conducted in open session, subject to such other legal requirements relating to confidentiality or privacy which may apply to the subject matter of the hearing.
 9. The IHO shall issue a written decision no more than thirty (30) days after the hearing is concluded, including any briefing period, unless the IHO notifies the parties that more time is needed and the reasons therefore.
 10. The IHO shall inform the parties that an appeal of the decision may be taken to the Board if filed within ten (10) days of the receipt of the IHO's decision, and that if no timely appeal is filed, the IHO's decision shall become final.

7. **Procedure for Board Review on Appeal of IHO's Decision**

- A. If either party is aggrieved by the IHO's decision, either party has the right to file a

written appeal with the Board within ten (10) days of receiving the IHO's decision. If no timely appeal is filed, the IHO's decision shall become final.

- B. The Board President shall provide the parties with ten (10) days' notice of any meeting scheduled by the Board to hear the appeal.
- C. The Board shall review the grievance on the record established by the IHO. Each party may make a brief oral presentation to the Board to summarize the party's position as to whether the IHO decision should be sustained, modified or reversed. No factual evidence or argument not presented to the IHO for consideration shall be presented to the Board for review. The appeal meeting shall be held in closed session. If the Board determines more information is necessary to make a decision, it may remand the matter to the IHO for further proceedings.
- D. The Board may affirm, reverse, or modify the IHO's decision. The IHO's decision may be reversed or modified if the decision was:
 - 1. In excess of the agency's statutory or jurisdiction;
 - 2. Based upon improper application or interpretation of Board policies or handbook provisions;
 - 3. Unsupported by relevant evidence to support the conclusion or is otherwise erroneous;
 - 4. So unreasonable as to be without a rational basis or the result of unconsidered, willful or irrational choice;
 - 5. The result of an inappropriate application of the standard of review by the IHO;
 - 6. Beyond scope of review of IHO; or,
 - 7. In contravention of public policy considerations.
- E. Procedural errors, which do not have a substantial effect on the rights of the parties, shall not be grounds for reversal of any decision.

The Board's decision shall be final. The Board shall send the grievant and the Agency Administrator a written statement of its decision within a reasonable time after hearing the appeal. (Board Policy 527)

DRUG FREE WORKPLACE

It is the policy of the Cooperative Educational Service Agency #9 that employees have the right to work in an environment that is free from the non-medical use of alcohol, drugs and mood-altering substances. These substances interfere with the performance of employees. This policy is in effect to protect the health, welfare and safety of all employees.

Employees are to report to work free of the effects of mood-altering drugs. The use, possession, sale or intent to sell, transfer of drugs, drug paraphernalia (as defined in state statutes), or having illegal drugs or chemicals in a person's system while on CESA property, in any CESA-owned or contracted vehicle or at CESA-sponsored events is prohibited.

The use of or sale of alcohol on CESA property, in any CESA-owned or contracted vehicle by any employee is prohibited.

All employees shall be expected to abide by this policy. Failure to abide by this policy shall result in disciplinary action in accordance with provisions of current employee agreement(s) or other procedures established by the Board of Control. Said discipline could result in suspension or discharge of employment.

Any employee engaged in performance of work in connection with a federal grant who is convicted of a criminal drug statute violation occurring in the workplace must notify the CESA #9 Administrator within five days of such conviction. The CESA #9 Administrator shall then notify the appropriate federal agency within 10 days of receiving such notice. This applies to those employees engaged in work in connection with a grant paid directly to CESA #9 by the federal government. It does not apply to those employees engaged in work in connection with a federal grant paid to CESA #9 through any state agency.

A copy of this policy shall be distributed to all employees of CESA #9. When an employee is in violation of this policy, the CESA Administrator shall refer the employee to the nearest available Employee Assistance Program. **(Board Policy 522.1)**

USE OF TOBACCO PRODUCTS

The use of tobacco presents a health hazard which can have serious consequences both for the user and the nonuser, and it is therefore of concern to the Board of Control. For purposes of this policy, use of tobacco shall mean all uses of tobacco including a cigar, cigarette, pipe, snuff and any other matter of substance that contain tobacco. The Board of Control prohibits the use of all tobacco products on CESA #9 property and in CESA #9-owned vehicles. **(Board Policy 522.2)**

EMPLOYEE PHYSICAL EXAMINATION REQUIREMENT

The Agency requires, as a condition of employment, that all new employees working with students obtain a physical examination, including a tuberculin skin test or submit proof of examination in the past ninety (90) days of their date of employment per Section 118.25 Wis. Stats. Freedom from tuberculosis in a communicable form is a condition of employment. If the employee's tuberculin skin test is positive, a chest X-ray shall be required.

The Board will pay for usual and customary fees for a routine employment physical examination including a tuberculin test and/or chest x-ray.

The physician conducting the physical examination shall prepare a report of the examination on a form prepared by the Department of Public Instruction (DPI) and available upon the DPI website. The physician shall use the report form to certify to the Agency that the person is free from tuberculosis in a communicable form. Subsequent physical examinations will be required at intervals determined by the Board of Control, consistent with state and federal laws.

An employee may request an exemption from the physical examination requirement for religious reasons by filing an affidavit with the Board stating that the employee depends exclusively upon prayer or spiritual means for healing in accordance with the teachings of a bona fide religious sect, denomination or organization and that the employee is to the best of the employee's knowledge and belief in good health and that the employee claims exemption from health examination on these grounds. If there is reasonable cause to believe that an employee who has requested an exemption is suffering from an illness detrimental to the health of the pupils, the Board of Control may require a health examination sufficient to determine whether the employee is suffering from such an illness. The Board of Control shall not discriminate against any employee for filing an affidavit seeking an exemption from the physical requirement.

The Agency shall maintain all physical examination records and other medical records in a file separate from all other personnel records, and shall treat such records as confidential medical records, in accordance with state and federal laws and regulations.

The Board of Control shall comply with the requirements of Wis. Stat. § 121.52(3)(a) by including in any contract with any owner or lessee of any privately owned motor vehicle transporting pupils for compensation provisions for the contractor to require physical examinations for all school bus drivers, as prescribed by Wis. Stat. § 121.52(3)(a). (Board Policy 523.1)

FACILITY GOALS

The goal of the CESA #9 Board of Control is to make its facilities available for use by CESA #9 school districts and the general public as long as such use does not interfere with the day to day requirements of the Agency.

(Board Policy 710.1)

EMERGENCY CLOSING

In the event that the office closes due to inclement weather or another emergency, CESA in-house staff (directors, program assistants, and administration) will be notified by the agency administrator or designee. These days will be unpaid unless the employee wishes to substitute vacation, emergency or personal leave time. Sick leave time may also be utilized with medical verification. In-house staff will have the option to make the time up provided that hourly employees do not exceed 40 hours per week.

Employees that work in district(s) will be notified of a school closing based on the policy of the district(s). These days will be unpaid for hourly employees and considered non-contract for salaried employees. If an employee wishes to be paid they may substitute emergency or personal leave time. Sick leave time may also be utilized with medical verification.

Exceptions to the above are subject to agency administrator approval.

FAMILY AND MEDICAL LEAVE

CESA #9 complies with all applicable laws concerning family and medical leave (FMLA). Employees may be eligible for leave under both the federal and state family and medical leave laws. There are different eligibility provisions for these laws, different rights under the laws, and different procedural requirements for employees to follow. The purpose of this policy is to briefly describe some of the rights and responsibilities of employees under these laws. However, this policy does not, nor is it intended to, spell out every right and responsibility under the two laws. If an employee has any questions or desires additional information, the employee should contact the Agency Administrator or designee. When both laws apply, the leaves under state and federal law will run concurrently and the provisions more beneficial to the employee will apply. Medical leaves that qualify under the FMLA will also run concurrently with leaves under short and long term disability policies, worker's compensation, and other laws, as applicable and as allowed by law.

To qualify for federal FMLA, employees must be employed by the Agency for a total of at least twelve (12) months and have actually worked at least 1,250 hours in the preceding 12-month period. To qualify for Wisconsin FMLA, employees must have been employed at least 52 consecutive weeks and have worked or been paid at least 1,000 hours in the preceding 52 weeks.

Employees on FMLA leave may not engage in any other employment that is inconsistent with the reason for the employee's FMLA leave.

The Agency will not use the requesting or taking of FMLA leave in compliance with the law as a basis for any adverse employment decision. Employees should direct any questions regarding FMLA leave to the Agency Administrator or designee.

General Leave Rights

Federal FMLA - Under the federal FMLA, eligible employees are allowed up to 12 workweeks of unpaid leave per 12-month period for the following reasons (see also Military Family Leave below):

- The employee's own serious health condition that makes the employee unable to perform the functions of his or her position
- To care for the employee's spouse, child or parent with a serious health condition
- For the birth of the employee's child, or placement of a child for adoption or foster care with the employee
- For incapacity due to pregnancy, prenatal medical care or child birth

Wisconsin FMLA - The Wisconsin FMLA permits eligible employees to take unpaid leave for the following reasons:

- Two (2) weeks for the employee's own serious health condition
- Two (2) weeks to care for the employee's spouse, child, domestic partner, parent, parent-in-law, or parent of a domestic partner with a serious health condition
- Six (6) weeks to care for the employee's child after birth or adoption

The Agency will calculate the federal 12-month period as a fiscal year from July 1 to June 30. Under federal FMLA, leave for birth, adoption or foster care placement must be concluded within 12 months of the birth or placement for adoption or foster care. If both parents work for the Agency, the employees will share one 12 week leave for the birth or placement of a child.

The Wisconsin FMLA entitlement will run on a calendar year basis. Any leave for the birth or adoption of a child taken under Wisconsin FMLA must start within 16 weeks of the birth or adoption of the child.

Military Family Leave - The federal FMLA provides for military family leave. Several provisions of this FMLA policy (including employee notice provisions and certification requirements) apply to military family leave as well.

There are two types of military family leave.

Qualifying Exigency Leave. Eligible employees with a spouse, son, daughter or parent on covered active duty or called to covered active duty status may use their 12-week FMLA entitlement to address certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare or parental care, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings. The 12 weeks of leave afforded for a qualifying exigency is not in addition to the general 12 weeks afforded under the federal FMLA. An employee is entitled to no more than 12 total weeks of leave for any combination of personal, family or qualifying exigency military FMLA.

Servicemember Care Leave. Eligible employees may also take up to 26 weeks of leave during a single 12-month period to care for an ill or injured servicemember who is the employee's spouse, parent, child, or "next of kin" who is a covered servicemember. A covered servicemember is : (1) a current member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness; or (2) a veteran who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the

covered veteran, and who is undergoing medical treatment, recuperation, or therapy for a serious injury or illness. The 26 weeks of leave afforded for servicemember care is not in addition to the general 12 weeks afforded under the federal FMLA.

Married Employees - Married employees who both work for the Agency are limited to no more than an aggregate of 26 weeks of leave between them for military family leave.

School Year Employees - If a school year employee is on leave at the end of one school year and the beginning of another, the leave will be considered consecutive, not intermittent, and the employee will be provided with any benefits over the summer vacation that he/she would normally receive in the employee had been working at the end of the school year. Summer vacation is not counted against a school year employee's FMLA leave entitlement.

Definition of "Child" and "Parent"

Under both state and federal FMLA laws, "child" means a biological, adopted or foster child, step child, legal ward, or a child for whom the employee provides day-to-day care. Also, the child must either be under age 18, or be 18 years or older and unable to care for him/herself because of a mental or physical disability or serious health condition. Under both state and federal laws, "parent" means biological parent, foster parent, adoptive parent, step parent or an individual who was responsible for the day-to-day care of the employee when the employee was a child. Under federal FMLA law, "parent" does not include parents of spouses or domestic partners. Under state FMLA law, "parent" includes parents of spouses or domestic partners.

Serious Health Condition

A serious health condition is an injury, illness, impairment or physical or mental condition that involves:

- Inpatient care in a medical care facility; or
- Continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job or prevents a qualified family member from participating in school or other daily activities. Continuing treatment by a health care provider includes:
 1. A period of incapacity of more than three (3) consecutive full calendar days combined with at least two (2) visits to a health care provider or one (1) visit and a regimen or continuing treatment under the supervision of a health care provider (time limits apply to health care provider visits);
 2. Any time period of incapacity due to pregnancy or prenatal care;
 3. Any period of incapacity or treatment for such incapacity due to chronic serious health condition;
 4. A period of incapacity which is permanent or long-term due to a condition for which treatment may not be effective; or
 5. Any period of absence to receive multiple treatments by a health care provider or for a condition that would likely result in a period of incapacity of more than three (3) consecutive calendar days in the absence of medical intervention or treatment. (Under the Wisconsin FMLA, the requirement for more than three (3) consecutive calendar days of incapacity does not apply.)

Notification and Certification

Whenever possible, employees must give at least 30 days' written notice of the need for FMLA leave. When 30 days' notice is not possible, employees are expected to give as much written notice as is practical. Please see Agency Administrator or designee for FMLA request forms. Normal call-in procedures must also be followed for all FMLA absences. If an employee does not specifically

request family or medical leave, but requests leave for a reason that might qualify as family or medical leave, the Agency will provide the employee with a leave request form to fill out and return to the Agency Administrator or designee as soon as possible in order to determine whether the leave requested qualifies as FMLA leave. The Agency may temporarily designate the leave as FMLA leave.

When requesting FMLA, employees must give sufficient information to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, a family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees must also inform the Agency if the requested leave is for a reason for which FMLA leave was previously taken or certified.

The Agency may require an employee who is requesting FMLA leave to provide medical certification for the leave. Employees will have 15 days in which to provide the certification, except in extenuating circumstances. If an employee fails to provide adequate certification in a timely manner, the employee's leave request or continuation of leave may be delayed or denied altogether. The Agency may require a second medical opinion at its expense regarding a serious health condition from a health care provider of its choice. If the first two opinions differ, the Agency may obtain a third opinion at its expense from a mutually agreed upon health care provider. The third opinion shall be binding on the parties. Recertification and periodic reports regarding the employee's status and intent to return to work may also be required as allowed by law.

The Agency will inform employees who have requested leave whether they are eligible for leave, specify any additional information needed, and inform the employee of his/her rights and responsibilities. If the employee is not eligible for leave, the Agency will provide a reason for the ineligibility. The Agency will also inform eligible employees whether requested leave will or will not be designated as FMLA leave and the amount of leave that will be counted against the employee's leave entitlement.

Intermittent Leave

An employee may take any leave covered by Wisconsin FMLA as intermittent leave, provided the employee provides notice as required by the law. The last increment of intermittent leave for the birth or adoption of a child under Wisconsin FMLA must begin within 16 weeks after the birth or placement for adoption of the child.

For leaves covered only by FMLA, an employee may take "intermittent" or "reduced schedule" leave, if medically necessary, for the employee's own serious health condition, to care for a spouse, parent, son, or daughter with a serious health condition, and to care for a covered servicemember with a serious injury or illness. Employees must make reasonable efforts to schedule leave for planned medical treatment so as to not unduly disrupt the Agency's operations. For medically necessary intermittent or reduced schedule leave that is foreseeable based on planned medical treatment for the employee, a family member, or a covered servicemember, the Agency may temporarily transfer an employee taking such leave to a position with equivalent pay and benefits if the new position better accommodates the leave. Military leave due to qualifying exigencies may also be taken on an intermittent basis. Employees may also take intermittent FMLA leave for the birth, adoption or foster placement of a child during the federal-only portion of their FMLA leave.

In addition, special rules apply to intermittent leave for “instructional” employees under the federal FMLA. The special rules apply to intermittent or reduced schedule leave, or leave near the end of a semester. “Instructional employees” are employees whose principal function is to teach students in a class, small group, or individual setting, and includes athletic coaches, driving instructors, and special education assistants such as signers for the hearing impaired. It does not include assistants or aides who do not actually teach nor does it include auxiliary personnel such as counselors, psychologists, or curriculum specialists, or non-instructional support staff. The special rules for “instructional” employees include:

- If an eligible employee needs intermittent leave or leave on a reduced leave schedule to care for a family member with a serious health condition, to care for a covered servicemember, or because of the employee’s own serious health condition, which is foreseeable based on planned medical treatment, and the employee will be on leave for more than 20 percent of the total number of working days over the period the leave would extend, in order to minimize the disruption to the educational process, the Agency may require the employee to choose either to:
 1. take leave for a particular duration, not longer than the duration of the planned treatment. If the employee chooses this option, the entire amount of leave will be counted against his/her FMLA leave entitlement; or
 2. transfer temporarily to an available alternate position, for which he/she is qualified, which has equivalent pay and benefits and which better accommodates recurring periods of leave.
- If the employee does not give required notice of foreseeable leave to be taken intermittently or reduced leave schedule, the Agency may require the employee to take leave of a particular duration, or to transfer temporarily to an alternative position, or delay the taking of leave until the employee has given the necessary notice.
- If the employee begins a leave more than five weeks before the end of a semester, less than five weeks before the end of a semester, and less than three weeks before the end of the semester, special rules apply:
 1. In the employee begins leave more than five weeks before the end of a semester, the leave will last at least three weeks, and the employee would return to work during the three-week period before the end of the semester, the Agency may require the employee to continue taking leave until the end of the semester.
 2. If the employee begins leave during the five-week period before the end of a semester because of the birth of a son or daughter; the placement of a son or daughter for adoption or foster care; to care for a spouse, son, daughter, or parent with a serious health condition; or to care for a covered servicemember, the Agency may require the employee to continue taking leave until the end of the semester if the leave will last more than two weeks, and the employee would return to work during the two-week period before the end of the semester.
 3. If the employee begins leave during the three-week period before the end of a semester because of the birth of a son or daughter; the placement of a son or daughter for adoption or foster care; to care for a spouse, son, daughter, or parent with a serious health condition; or to care for a covered servicemember, the Agency may require the employee to continue taking leave until the end of the semester if the leave will last more than five working days.
 4. If the Agency requires the employee to continue taking leave to the end of the semester, only the period of leave until the employee is ready and able to return to work will be charged against the employee’s FMLA leave entitlement. However, the Agency will maintain the employee’s group health insurance and restore the employee to the same or equivalent job including other benefits at the conclusion of the leave.

Substituting Paid Time Off

During the portion of any FMLA leave covered by Wisconsin law, employees may elect to substitute, or not substitute, any accrued paid leave for unpaid FMLA leave. During the federal-only portion of an FMLA leave, an employee may substitute any paid leave the employee would be eligible to take in compliance with the Agency's normal paid leave policies. During the federal-only portion of an FMLA leave, the Agency may require employees to substitute accrued paid leave.

Benefits During Leave

An employee's coverage under group health plans (i.e., group health and dental coverage) will be maintained during the period of an FMLA leave as required by the Wisconsin and federal FMLA laws and in accordance with the applicable terms of the plans.

Employees who normally pay a portion of the premium for insurance coverage must continue to do so during the period of FMLA leave. If paid leave is substituted for unpaid leave, the employee's portion of the premium will be deducted from the employee's paycheck. For those employees on unpaid leave, payment arrangements must be made prior to the start of the leave, or as soon as practicable. A 30-day grace period will apply to premium payments. If payment is not made within the grace period, the employee's group health/dental insurance may be terminated.

If the Agency maintains an employee's insurance during an FMLA leave, and the employee does not return from FMLA leave, under certain circumstances the Agency will have the right to recover the total cost of the insurance premiums paid during the employee's leave, as allowed by law.

Use of FMLA cannot result in the loss of any employment benefit that accrued prior to the start of the employee's leave. Other benefit accruals may be suspended during the period of the leave and will resume upon return to active employment. An employee should check with the Agency Administrator or designee regarding other benefit continuation provisions.

Returning to Work at the End of Leave

Employees who return to work from FMLA leave within the timeframes protected by the FMLA laws will be returned to their former position or, if that position is no longer available, an equivalent position with equivalent pay, benefits and other employment terms. If an employee wishes to return to work before his/her leave is to end, and work is available, the employee must notify the Agency Administrator or designee at least 2 days prior to the desired return date. If an employee took FMLA leave for his/her own serious health condition, a fitness for duty certification will be required before the employee may return to work. In such cases, an employee's return will be delayed until such a certification is received.

Failure to Return to Work at End of FMLA-Protected Leave

If an employee fails to return to work after the expiration of an FMLA-protected leave, the employee's rights under state and federal FMLA laws will no longer be in effect and the employee will be subject to immediate termination. If the employee's inability to return to work is due to the continuation, recurrence or onset of the employee's own serious health condition, or of the serious health condition of the employee's spouse, child or parent, the Agency will consider a request for a further unpaid leave. However, the employee must submit a written request for consideration of a further leave as soon as the employee realizes that he/she will not be able to return at the expiration of the FMLA-protected leave period. The Agency will consider each such request on a case by case basis. There is no guarantee that a further leave will be granted.

Failure to Meet Policy Requirements

If the employee fails to meet the requirements of this policy for family or medical leave, the request for leave will be denied until the requirements are met. (Board Policy 523.6)

Employee Rights and Responsibilities Under the Family and Medical Leave Act

Basic Leave Entitlement

FMLA requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to eligible employees for the following reasons:

- For incapacity due to pregnancy, prenatal medical care or child birth;
- To care for the employee's child after birth, or placement for adoption or foster care;
- To care for the employee's spouse, son or daughter, or parent, who has a serious health condition; or
- For a serious health condition that makes the employee unable to perform the employee's job.

Military Family Leave Entitlements

Eligible employees whose spouse, son, daughter or parent is on covered active duty or call to covered active duty status may use their 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings. FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered servicemember during a single 12-month period. A covered servicemember is: (1) a current member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness*; or (2) a veteran who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered veteran, and who is undergoing medical treatment, recuperation, or therapy for a serious injury or illness.* **The FMLA definitions of "serious injury or illness" for current servicemembers and veterans are distinct from the FMLA definition of "serious health condition".**

Benefits and Protections

During FMLA leave, the employer must maintain the employee's health coverage under any "group health plan" on the same terms as if the employee had continued to work. Upon return from FMLA leave, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

Use of FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

Eligibility Requirements

Employees are eligible if they have worked for a covered employer for at least one year, for 1,250 hours over the previous 12 months, and if at least 50 employees are employed by the employer within 75 miles.

Definition of Serious Health Condition

A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

Use of Leave

An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

Substitution of Paid Leave for Unpaid Leave

Employees may choose or employers may require use of accrued paid leave while taking FMLA leave. In order to use paid leave for FMLA leave, employees must comply with the employer's normal paid leave policies.

Employee Responsibilities

Employees must provide 30 days advance notice of the need to take FMLA leave when the need is foreseeable. When 30 days' notice is not possible, the employee must provide notice as soon as practicable and generally must comply with an employer's normal call-in procedures. Employees must provide sufficient information for the employer to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees also must inform the employer if the requested leave is for a reason for which FMLA leave was previously taken or certified. Employees also may be required to provide a certification and periodic recertification supporting the need for leave.

Employer Responsibilities

Covered employers must inform employees requesting leave whether they are eligible under FMLA. If they are, the notice must specify any additional information required as well as the employees' rights and responsibilities. If they are not eligible, the employer must provide a reason for the ineligibility.

Covered employers must inform employees if leave will be designated as FMLA-protected and the amount of leave counted against the employee's leave entitlement. If the employer determines that the leave is not FMLA-protected, the employer must notify the employee.

Unlawful Acts by Employers

FMLA makes it unlawful for any employer to:

- Interfere with, restrain, or deny the exercise of any right provided under FMLA;
- Discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA.

Enforcement

An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer.

FMLA does not affect any Federal or State law prohibiting discrimination, or supersede any State or local law or collective bargaining agreement which provides greater family or medical leave rights.

FMLA section 109 (29 U.S.C. § 2619) requires FMLA covered employers to post the text of this notice. Regulations 29 C.F.R. § 825.300(a) may require additional disclosures.

Wisconsin Family and Medical Leave Act and Bone Marrow Organ Donation Leave Act

Section 103.10, Wisconsin Statutes, requires that all employers with 50 or more employees display a copy of this poster in the workplace. Employers with 25 or more employees are required to post their particular leave policy.

Under state law all employers with 50 or more permanent employees must allow employees of either sex:

- Up to six (6) weeks leave in a calendar year for the birth or adoption of the employee's child, providing the leave begins within sixteen (16) weeks of the birth or placement of that child.
- Up to two (2) weeks of leave in a calendar year for the care of a child, spouse, domestic partner, as defined in § 40.02(21c) or 770.01(1) or parent or a parent of a domestic partner with a serious health condition.
- Up to two (2) weeks leave in a calendar year for the employee's own serious health condition.
- Up to six (6) weeks leave in a 12-month period for the purpose of serving as a bone marrow or organ donor, provided that the employee provides his or her employer with written verification that the employee is to serve as a bone marrow or organ donor and so long as the leave is only for the period necessary for the employee to undergo the bone marrow or organ donation procedure and to recover from the procedure. (effective July 1, 2016)

This law only applies to an employee who has worked for the employer more than 52 consecutive weeks and for at least 1000 hours during that 52-week period. The law also requires that employees be allowed to substitute paid or unpaid leave provided by the employer for Wisconsin Family and Medical Leave. Employers may have leave policies, which are more generous than leaves required by the law.

A complaint concerning a denial of rights under this law **must be filed within 30 days** after the violation occurs or the employee should have reasonably known that the violation occurred, whichever is later.

For answers to questions about the law, a complete copy of the law, or to make a complaint about a denial of rights under the law contact:

SEXUAL DISCRIMINATION AND HARASSMENT

CESA #9 is committed to stopping sexual harassment that may occur and to maintaining a working environment for employees free from any form of sexual harassment or intimidation. Sexual harassment includes the following:

- unwelcome sexual advances;
- unwelcome requests for sexual favors;
- unwelcome physical contact of a sexual nature;
- unwelcome verbal or physical conduct of a sexual nature, including deliberate, repeated making of unsolicited gestures or comments of a sexual nature, display of offensive sexually graphic materials, and deliberate verbal or physical conduct of a sexual nature, whether or not repeated, that is sufficiently severe to create a hostile work environment; and
- conduct directed at another individual because of the individual's gender that has the purpose or effect of creating an intimidating, hostile or offensive work environment or has the purpose or effect of substantially interfering with that individual's work performance.

Any employee who believes he/she has been subjected to sexual harassment shall report the incident in accordance with established procedures. All sexual harassment reports shall be promptly reviewed and officials shall consider the affected individual's circumstances and not notions of acceptable behavior based on stereotype or on the history of behavior in the workplace. Such circumstances may include factors such as the affected individual's age, gender, background, employment status and the general context in which the alleged harassment took place.

Complaint Procedure

Each member of management is responsible for creating an atmosphere free of discrimination and harassment, sexual or otherwise. Further, employees are responsible for respecting the rights of their co-workers.

If you experience any job-related harassment based on your sex, your race, or another factor, or believe you have been treated in an unlawful, discriminatory manner, promptly report the incident to your supervisor, who will investigate the matter and take appropriate action. If you believe it would be inappropriate to discuss the matter with your supervisor, report it directly to another supervisor or Agency official, who will undertake an investigation. Your complaint will be kept confidential to the maximum extent possible.

CESA #9 expects full cooperation of all employees in maintaining a work environment free of harassment and the full cooperation of all employees in the investigation of any complaints. Failure to cooperate in such an investigation will subject the employee to disciplinary action, up to and including discharge.

If the Agency determines that an employee is guilty of harassing another employee, appropriate action will be taken against the offending employee, up to and including discharge.

CESA #9 prohibits any form of retaliation against any employee for filing a bona fide complaint under this policy or for assisting in a complaint investigation. However, if after investigating any complaint of harassment or unlawful discrimination, the Agency determines that the complaint is not bona fide or that an employee has provided false information regarding the complaint,

disciplinary action, up to and including discharge, may be taken against the individual who filed the complaint or who gave the false information.

Individuals reporting incidents of sexual harassment will be protected from retaliation. Any individual who retaliates by harassing the complainant will be considered to have violated the policy. Corrective disciplinary action will be applied in these situations.

This policy will be distributed to employees of the Agency on an annual basis and reviewed at inservice meetings. **(Board Policy 512)**

Only requisitions containing complete information will result in a purchase order being processed. Employee is responsible for own hotel/travel arrangements and must have confirmation number indicated for purchase order to be processed. All requisitions for basic instructional materials should be in the CESA office before December 1st. No phone orders will be accepted. No "on approval" orders will be accepted. You must notify the CESA #9 business office when materials are received. If you receive a partial order, you should notify the CESA #9 business office in the event that we are billed for partial shipment.

Prior to purchase of non-consumable supplies or equipment, ***approval must be obtained from your program/project supervisor.***

For processing purposes, all requisition forms must include the complete project account name and account code.

Purchasing card holders will follow procedures according to the P-card written policy.

Personal Use

No CESA employee may order items for personal use using a CESA #9 purchase order, P-card or the CESA #9 name as ordering agency without prior administrative approval.

Authorization

No purchases, which are charged to the Board of Control or which are to be paid for by the Board of Control, are to be made except through the CESA Administrator's office on properly signed purchase orders or in accordance with the written P-card policy. Any employee incurring expenses without an authorized purchase order or in violation of the P-card policy is subject to liability for the cost involved.

TRAVEL EXPENSES

CESA #9 staff members shall be reimbursed at a rate per mile established by the Board of Control for travel between schools. Reimbursement shall be figured either from the CESA #9 office or from a predetermined and approved school building within the particular school district served by the greatest percentage of time by the staff member. However, in any situation, reimbursement will

be paid only for miles actually driven or the shortest distance. All CESA staff members should travel together to meetings and assignments that have the same destination whenever possible.

Under normal circumstances, the "home base" school of a CESA #9 employee should provide adequate facilities for the employee to work during preparation or office periods of time. During such work periods, the "home base" school should not expect the shared service staff member to be working for its own district unless some unusual circumstance should arise.

Should a CESA staff member elect to work at a location other than the "home base" school, no compensation for additional miles traveled to the alternate facility shall be honored. In those cases where a "home base" school cannot provide adequate appropriate workspace, an alternate facility may be approved, and travel expenses over the mileage to and from the "home base" school shall be paid.

Travel out of the Agency must have prior approval of the "home base" district administrator and/or CESA Administrator for all personnel.

For other than scheduled travel, reason must be stated on expense report in full: i.e.,
Home visit - John Jones - Tomahawk
Evaluation - Bob Smith - Tomahawk
Conference - "Stuttering"

Staff members assigned to provide services on a regularly scheduled basis shall not be reimbursed for noon lunches while on duty during school days when working out in the field. Traveling staff members would find it advantageous and less expensive to make use of local school district lunch facilities whenever possible. In those situations where staff members are called to school districts on a referral basis, or by special invitation, they will be reimbursed for out-of-pocket expenses.
(Board Policy 671.4)

Mileage

Effective January 1, 2016, CESA #9 staff members shall be reimbursed at the rate per mile allowed by the State of Wisconsin (currently \$0.51 per mile). This rate is subject to change.

Expense Reports

Online expense reports must be completed monthly, covering the period from the 20th of the previous month to the 19th of the current month. Expense reports not submitted on or before the 20th of the month may be held until the following month for payment. Expense payments will be made via direct deposit/ACH the day following the monthly Board meeting. ***Receipts must accompany all expense reports for reimbursement. Failure to submit expense reports on a routine and timely basis may result in disciplinary action.***

3. When serving the "home" school, CESA #9 personnel shall be expected to be present during the same period of time required of local staff members. When serving outside the "home area" of the staff member, one-half of the travel time to an assigned school should be on own time and one-half on school district time (i.e., fifty mile trip to a school which has a starting time of 8:00 a.m., a CESA staff member should be expected to be at that school ready to work at 8:30 a.m.).
4. On office or preparation days when work is being done at the "home base" school or at the CESA #9 office, staff members shall be governed by established hours in those locations where work is taking place. (Summer office hours will be set by the Agency Administrator and approved by the Board of Control annually, inclusive for clerical and professional staff based in the CESA #9 office).
5. The work year for CESA staff shall coincide with that of the district in which they are providing services.

The workday of CESA staff shall coincide with the workday of the district in which they are providing services.

Teachers will provide extra duty services in the school to which they are assigned on the same basis, including reimbursement if any, as teachers regularly employed in that school; provided, however, teachers providing services in multi-districts shall provide the same pro-rata share of extra duty services in each school as the amount of their time spent in that school bears to their total amount of duty time spent in all schools to which they are assigned; and provided further, teachers in multi-districts shall not be required to provide extra duty services beyond the normal work day, except on a volunteer basis.

6. Shared teachers can reasonably expect to aid in the general supervision of pupils during school hours. (Reference: Board Policy 322)

TIME AND EFFORT REPORTING

All CESA 9 employees must document the time they spend working on each project to demonstrate that the amount budgeted and charged to each project is accurate. appropriate. Employees will be provided with a list of event codes to use when completing their calendars. Contracted staff need to complete calendars on a monthly basis. Contracted staff calendar updates are due on the 5th of every month for the preceding month. Hourly staff need to complete calendars on a bi-weekly basis for payroll processing. Supervisors and other employees are allowed to have “view only” access.

NON-CERTIFIED SUPPORT STAFF POLICIES

STAFF DEVELOPMENT OPPORTUNITIES

Request for meeting attendance and workshops may be granted providing such activities are directly related to job assignment. Reimbursement for attendance will be determined by the Agency Administrator. (Board Policy 547)
